## Machinery Moving

**Hird Ltd is one of the UK's leading machinery removal and installation specialists and prides itself on its high level of safety and efficiency.**

We have many satisfied customers in a range of sectors including petro-chemical, aerospace, heavy industrial and food manufacturing.

We can carry out the movement of single items through to large turn key CDM managed projects, nationally or internationally.

With our large range of zero emissions and low noise electric cranes, we can work safely and effectively in live industrial environments with high risk operating conditions, such as food factories and petro-chemical sites.

Hird provides trained personnel to ensure that its machine moving services comply with **BS7121 Safe Use of Cranes**, **PUWER** and **LOLER** regulations within the price quoted.
