

MT2

Fixed Dual Circuit Vacuum Lifter

www.hird.co.uk

The Wood's Powr-Grip MT2 is an excellent compact vacuum lifter, providing an alternative to traditional hand cups, reducing manual handling for a wide range of applications.

- Powerful 135kg lifting capacity
- Safer lifting through improved manual handling
- Fewer people required to handle materials boosts productivity
- Suitable for wide range of materials including glass, coated boards, plastics, ceramics and sheet metal
- Vacuum gauge for each circuit with low vacuum alert
- Manual tilting from vertical to horizontal

135kg
